Student Consultancy Management System

5.2 Requirement Analysis

5.2.1 Functional Requirements

Technology: Django, HTML, CSS, JavaScript, Python

The system has four distinct user roles: Admin, Manager, Front Desk, and Student. The functional requirements of each role are described below.

1. Admin

1.1 Login

- 1.1.1 Login with email ID and password.

1.2 Branch & User Management

- 1.2.1 Manage all branches (create, view, edit).
- 1.2.2 Add / Edit / Remove branch users (Managers).
- 1.2.3 Generate passwords for managers.
- 1.2.4 Approve / Reject new branch registrations.

1.3 Student Management

- 1.3.1 View all students across all branches.
- 1.3.2 Monitor follow-up status (Due, Upcoming, Completed).

1.4 Document Management

- 1.4.1 View all student documents (PDF, JPEG, DOCS).

1.5 Activity & Analytics Dashboard

- 1.5.1 View branch-wise total students, users, and follow-ups.
- 1.5.2 Monitor user activities across branches.
- 1.5.3 View student growth trend and branch performance statistics.

1.6 Logout

- 1.6.1 Admin can logout from the system.

2. Manager

2.1 Login

2.1.1 Manager can log in using an email ID and password provided by the Admin.

2.2 Branch Monitoring & Staff Management

2.2.1 View all students registered under their own branch.

2.2.2 Add / Edit / Remove Front Desk staff accounts.

2.2.3 Generate passwords for Front Desk staff.

2.2.4 Track pending and completed follow-ups of students.

2.2.5 Monitor activities performed by Front Desk users.

2.2.6 View student documents uploaded within the branch.

2.2.7 Download documents assigned by Front Desk staff.

2.3 Follow-Up Management

2.3.1 View follow-up schedules assigned to students.

2.3.2 View remarks added by Front Desk staff for each follow-up.

2.3.3 Mark follow-ups as complete.

2.4 Student Filtering

2.4.1 Search students by name or phone number within the branch.

2.4.2 View the application status of students (New, In-Progress, Archived).

2.5 Reports & Analytics

2.5.1 View branch-wise student statistics and reports.

2.5.2 Filter reports by date range.

2.6 Student Form Monitoring (Online Submissions)

2.6.1 View student forms submitted online.

2.6.2 Monitor verification status of online-submitted student applications.

2.7 Document Management

2.7.1 Approve or reject student documents with remarks.

2.7.2 Toggle document verification status.

2.7.3 Delete documents on behalf of a student.

2.8 Logout

2.8.1 Log out of the system after completing tasks.

3. Front Desk Users

3.1 Login

3.1.1 Log in using an email ID and password provided by the Manager.

3.2 Student Management

3.2.1 Register a new student by entering personal details and creating a system account.

3.2.2 View student forms submitted online by students.

3.2.3 Verify students' forms after submission.

- 3.2.4 Edit student profile including academic background, test scores, and preferred country.
- 3.2.5 Upload student documents in PDF or JPEG format.
- 3.2.6 Assign students' documents to the Manager for verification.
- 3.2.7 Assign a student to a specific staff member.

3.3 Follow-Up Management

- 3.3.1 Schedule follow-ups for students.
- 3.3.2 Add remarks for each follow-up.
- 3.3.3 Update follow-up status (Pending / Completed).
- 3.3.4 View and manage appointments; update appointment status.
- 3.3.5 Cancel an appointment.

3.4 Student Filtering

- 3.4.1 Search students by name or phone number.

3.5 Archive Student

- 3.5.1 Archive uninterested/inactive students.
- 3.5.2 Unarchive archived students when required.

3.6 Student Profile Detail

- 3.6.1 View detailed student profile showing academic data, application status, documents, and follow-up history.
- 3.6.2 Add remarks or notes to a student's profile.
- 3.6.3 Update a student's application pipeline status (New, Applied for Offer Letter, Offer Letter Received, COE Applied, COE Received, Visa Granted, Rejected).

3.7 Logout

- 3.7.1 Logout after completing tasks.

4. User (Student / Applicant)

4.1 Registration

- 4.1.1 Register with first name, last name, email address, password, and confirm password.

4.2 OTP Verification

- 4.2.1 OTP sent to the entered email address for account activation.
- 4.2.2 OTP expires after 5 minutes; expired OTPs are rejected.

4.3 Login

- 4.3.1 Login through email ID and password.
- 4.3.2 Request a password reset via OTP sent to the registered email.

4.4 Application Form Submission

- 4.4.1 Personal Information (name, date of birth, phone).
- 4.4.2 Academic Background (college, graduation year, GPA).

4.4.3 English Proficiency (test type: IELTS / PTE / TOEFL, and test score).

4.4.4 Student preferred country.

4.4.5 Enter the preferred university and location.

4.5 Document Upload

4.5.1 Upload required documents in PDF or JPEG format (Passport, Transcript, Certificate, Test Score, Bank Statement, Other).

4.5.2 Re-upload documents if requested or rejected.

4.6 Application Status Tracking

4.6.1 View the current status of the submitted application.

4.6.2 Application statuses include: New, Applied for Offer Letter, Offer Letter Received, COE Applied, COE Received, Visa Granted, Rejected.

4.6.3 View document review status (Pending, Approved, Rejected) and staff remarks.

4.7 Follow-Up History

4.7.1 View a read-only history of follow-up notes and scheduled dates logged by staff.

4.8 Logout

4.8.1 Student can log out from the system.
