

DristiSewa

Functional Requirements Document
System Version 1.0 | June 2026

This document specifies the functional requirements of the DristiSewa student management platform. The system supports four user roles: **Admin**, **Manager**, **Front Desk**, and **Student**. All requirements are derived from the implemented system.

5.2.1 Admin

1.1 Login

1.1.1 Login with email ID and password.

1.2 Branch & User Management

1.2.1 Manage all branches.

- Create a new branch with name, code, address, phone, and email.
- Edit branch details (name, address, active status).
- Delete a branch (only if no staff are assigned).

1.2.2 Add / Edit / Remove branch users (Managers & Front Desk).

- Create staff accounts with role (Manager or Front Desk), branch assignment, and experience details.
- Edit existing staff profiles including name, email, branch, and experience.
- Suspend or reactivate staff accounts (toggle active status).
- Delete staff accounts permanently.

1.2.3 Generate passwords for managers.

- Set a secure password when creating a manager account.
- Update a manager's password from the staff edit drawer.

1.2.4 Approve / Reject new branch registrations.

- Activate or deactivate branch user accounts to control system access.

1.3 Student Management

1.3.1 View all students across branches.

- Search students by name or email.
- Filter students by branch, test type, and sort order.
- View detailed student profile including documents, applications, and follow-ups.
- Verify, archive, or unarchive student records.

1.3.2 Monitor follow-up status (Due, Upcoming, Completed).

- View follow-up pipeline counts per status.
- Filter follow-ups by status across all branches.

1.4 Document Management

1.4.1 View all student documents (PDF, JPEG, DOCS).

- Filter documents by status (Pending, Approved, Rejected).

1.4.2 Review and update document status.

- Approve or reject uploaded student documents.

1.5 Application Management

1.5.1 View all student applications across branches.

- Filter applications by status (Pending, Approved, Rejected, Visa Granted).

1.5.2 Create and update student applications.

- Create a new application for any student.
- Update application status and details.

1.6 Activity & Analytics Dashboard

1.6.1 View branch-wise total students, users, and follow-ups.

- Dashboard overview card showing total students, branches, pending follow-ups, and growth trend.
- Branch performance table with manager count, student count, and follow-up stats.

1.6.2 Monitor user activities across branches.

- Recent activity log showing system-wide actions with timestamps.

1.7 Reports

1.7.1 View and download overall system report.

- Overall report covers all branches: student counts, application status, document status, follow-up status.
- Download overall report as a PDF file.

1.7.2 View and download branch-specific reports.

- Branch report shows students, applications, documents, and follow-ups for a selected branch.
- Download branch report as a PDF file.

1.8 Logout

1.8.1 Admin can logout from the system.

5.2.2 Manager

2.1 Login

2.1.1 Login with email ID and password via the Staff Login page.

2.2 Branch Monitoring

2.2.1 View branch overview dashboard.

- See total students, pending follow-ups, and front desk user count for their branch.

- View branch performance metrics and activity summary.

2.2.2 Monitor student and follow-up data across the branch.

- View recent student registrations and follow-up pipeline.

2.3 Follow-up Management

2.3.1 View all follow-ups within the branch.

- See follow-up list with student name, assigned front desk user, due date, and status.

2.3.2 View pending follow-ups.

- Filter and view only overdue or upcoming follow-ups.

2.3.3 View completed follow-ups.

- Review history of completed follow-ups within the branch.

2.4 Front Desk Management

2.4.1 View all front desk users assigned to the branch.

- See each front desk user's student workload and follow-up counts.

2.4.2 Monitor front desk staff performance.

- View number of students and follow-ups per front desk user.

2.5 Student Document Management

2.5.1 View student documents within the branch.

- Access documents submitted by students in the manager's branch.

2.5.2 Verify or toggle document verification status.

- Mark documents as verified or unverified.

2.5.3 Delete student documents.

- Remove incorrect or duplicate document uploads.

2.5.4 Add remarks on student profiles.

- Post internal notes or remarks visible on the student's profile.

2.6 Reports & Analytics

2.6.1 View branch-level report.

- Summary report covering students, documents, applications, and follow-ups for the manager's branch.

2.6.2 Download branch report as PDF.

- Export the branch report as a downloadable PDF document.

2.7 Logout

2.7.1 Manager can logout from the system.

5.2.3 Front Desk

3.1 Login

3.1.1 Login with email ID and password via the Staff Login page.

3.2 Student Management

3.2.1 View all students assigned to their branch.

- Dashboard showing total students, pending documents, and open follow-ups.
- Search students by name or email; filter by test type and sort order.

3.2.2 Register new students manually.

- Create student accounts directly from the front desk dashboard.

3.2.3 Edit student information.

- Update student personal details, test type, test score, and preferred country.

3.2.4 Verify student profiles.

- Mark a student as verified after document and identity checks.

3.2.5 Archive and unarchive students.

- Archive inactive students to remove them from the active list.
- Unarchive students to restore them to active status.

3.2.6 View detailed student profile.

- Access full profile with documents, applications, follow-ups, and remarks.

3.2.7 Assign students to front desk users.

- Reassign a student's case to another front desk user in the same branch.

3.3 Follow-up Management

3.3.1 View all follow-ups for branch students.

- List view with student name, follow-up type, due date, and status.

3.3.2 Toggle follow-up status (complete / pending).

- Mark a follow-up as done or reopen it.

3.3.3 Manage appointments.

- View list of scheduled appointments.

3.3.4 Update appointment details.

- Edit appointment date, time, and notes.

3.3.5 Cancel appointments.

- Cancel a scheduled appointment with a reason.

3.4 Document Management

3.4.1 View student documents submitted within the branch.

- Filter documents by status (Pending, Approved, Rejected).

3.4.2 Review and approve / reject documents.

- Update document review status and leave review notes.

3.5 Application Management

3.5.1 View student applications within the branch.

- Filter applications by status; see pipeline counts.

3.5.2 Create new applications for students.

- Add a new study abroad application on behalf of a student.

3.5.3 Update application status.

- Change application status (Pending, Approved, Rejected, Visa Granted).

3.6 Archived Students

3.6.1 View all archived students in the branch.

- Access a separate archived list outside the main student dashboard.

3.6.2 Unarchive students.

- Restore an archived student to the active student list.

3.7 Logout

3.7.1 Front Desk user can logout from the system.

5.2.4 Student

4.1 Registration

4.1.1 Self-register with name, email, phone, branch, and password.

- Validation enforces letters-only names, digit-only phone numbers, and minimum 8-character passwords.

4.1.2 Select preferred branch during registration.

- Choose from a list of active branches; optionally select a preferred front desk user.

4.1.3 OTP email verification for account activation.

- A one-time password is sent to the registered email address.
- OTP expires after 5 minutes; account is created only after successful verification.

4.1.4 Resend OTP if not received.

- Request a new OTP from the verification page without re-registering.

4.2 Login

4.2.1 Login with email address and password.

4.3 Profile

4.3.1 View personal profile information.

- See name, email, phone, branch, test type, test score, and preferred country.

4.3.2 View assigned branch and front desk contact.

- Know which front desk user manages their case.

4.4 Document Management

4.4.1 Upload documents (PDF, JPEG, DOCS).

- Upload required documents such as transcripts, passports, and financial statements.

4.4.2 View uploaded documents and their review status.

- Track whether each document is Pending, Approved, or Rejected.

4.5 Application Management

4.5.1 Submit study abroad applications.

- Fill in and submit an application for a study programme.

4.5.2 View all submitted applications and their status.

- Track application progress through Pending, Approved, Rejected, or Visa Granted states.

4.6 Logout

4.6.1 Student can logout from the system.
